I am available on the 19<sup>th</sup> from 4:30-5:30 pm. FYI, I have been having problems accessing Team meetings. I can set up a meeting with gotomeeting, if that works for EPA.

I believe the 18th is a federal holiday (Martin Luther King Day)! Probably why it is open!

**Subject:** presentation question

Hi, I hope everyone is enjoying the holiday season and staying healthy. On our last call, we offered to provide a presentation on the review findings for appliances tested with ASTM 3053 that include data taken from test reports and data from our research efforts. We have provided this presentation to OAQPS staff and wondered if OECA staff might be interested in scheduling a time to show this information? If so, can you please send me times that work for you? I

anticipate that Alaska staff will join in this meeting, as they did when we briefed OAQPS staff, so please look at times in the afternoon rather than the morning.

Thanks!

Lisa Rector
